## SECURITY SERVICES & VIP ACCOMPANIMENT & LOCAL ASSISTANCE

### VIP Accompaniment

Our experience and individual approach help us find out goals and wishes of each of our clients objectively and professionally.

We have created a professional team which will satisfy all specific client's requests.

We have built the great professional relations with the best hotels, clubs and restaurants, fashion shops, port and airport among others.

### Local Assistance for Private Security

Our Local Security Assistance service provides professional on-site support to private security teams accompanying VIP guests during their stay in Ibiza.

We assign an experienced local expert to work alongside the guest's personal security, offering essential local knowledge, venue coordination and real-time guidance to ensure smooth, secure and efficient movements across the island.

This collaboration helps prevent unnecessary waiting times, avoid unsuitable locations, and secure preferential treatment at top clubs and restaurants, including exclusive access to restricted areas when required.

Our local specialist acts as a strategic liaison between private security teams and venues, authorities, and service providers, delivering precise information, trusted contacts and situational awareness that only deep local expertise can provide.

This service is ideal for high-profile individuals whose security teams require reliable local support, discretion and flawless execution in a dynamic nightlife and hospitality environment such as Ibiza.
